

EL MORYA LEADS HELIOS DECREE 20.12 INCLUDING INVOCATIONS BY EL MORYA TO CLEAR THE RECORDS OF LEMURIA & PERSONAL RECORDS

Please take out 2012 and accompanying decrees.

Our Father, living flame of Christ, peace. Lord God Almighty, I stand as a bull before the altar of thy Holy Grail. I come before the flame of the ark of thy covenant with me and unto thy seed forever. I plead before the throne of grace and I command Elohim according now to the will of cosmic counsel to the direction of Alpha and Omega. Let the records of ancient Lemuria of the seed of the wicked and the fallen ones now rise.

Let the records of infamy of the abuse of the light of Sanat Kumara and Lord Gautama Buddha, the eternal light of the sun now be brought forth for judgment on earth as in heaven by the fullness of thy Omega. Here below as above Omega let thy cosmic mother judgment flow.

Angels of the sacred fire now bear and bring this record, the record of an ancient continent and its betrayal by the fallen angels. Yes, by the Nephilim gods, the watchers, the godless creation, the laggards and those anti-priests, fallen ones who misuse the sacred fire in the war of the gods.

Thus, wherever they be in spacecraft, in the earth, in death and hell, lo, the Lord God Almighty does proclaim. They are bound in the name of Almighty God. Their human devil creation is bound.

And now, O legions of light, now mighty torchbearers from the sun, ignite this record that has been brought forth, the record of Lemuria and the lands of the fire ring from the coasts of North and South America through the Aleutian chain, through the islands, through Russia, through Japan, through Indonesia, through all of Southeast Asia, through all of the islands, through New Zealand, New Guinea, Australia, throughout all of these lands where this record is now brought forth. So let it be, as far as the land of India. So let it be.

So is the clearing, therefore, of the record of the sinking of the continent as the great law will allow, and all in the astral plane and in the pits of death and hell, and in the Pacific trenches there now is the purging light, the burning fire, the all-consuming flame.

And there does come to pass, beloved ones, this consuming by the violet fire, by the release of Helios and Vesta, by the release of the Elohim at this conference.

So we invoke the fires of the central sun and the ruby ray, that the evolutions of earth might be born again, reborn, born free now to love as God loves, as Elohim love, as the angels love, as their Christ self loves, as their mighty I Am presence and twin flames love.

And therefore, let the ruby ray action go forth, let the full power of mighty cosmos' secret rays, let the full power of the annihilation ray go forth, let the ruby ray judgment descend,

as fiery salamanders seraphim all elemental life, all legions of light and hierarchs of the central sun, gather for the mighty conflagration and burning of these records as the great law will allow.

So now are these records taken in the lifestreams of those who have participated in this service, and who shall participate in this service in the future at any time—so the decree of the Lord Sanat Kumara does go forth, that the counterpart of this darkness throughout the galaxies is also consumed.

And wherever the same footprints have placed themselves, even unto the black coal in space, so is the record consumed.

So it does go forth, and therefore I, El Morya, with keepers of the flame, with the seed of Sanat Kumara, who are indeed my chelas, my children, my very own flesh and blood, spiritually speaking sons and daughters, do ratify now the judgment of Helios upon this specific record of Lemuria, brought forth by the decree of Alpha and Omega, and the cosmic council in this hour, and in this day, and date.

20.12 I RATIFY THE JUDGMENT OF HELIOS

Whereby the Plug Is Pulled on the Seed of the Wicked - by Helios

In the name I AM THAT I AM ELOHIM, Saint Germain, Portia, Guru Ma, Lanello Padma Sambhava, Kuan Yin and the Five Dhyani Buddhas, In the name I AM THAT I AM SANAT KUMARA, Gautama Buddha, Lord Maitreya, Jesus Christ,
OM VAIROCHANA, AKSHOBHYA, ATNASAMBHAVA, AMITABHA,
AMOGHASIDDHI, VAJRASATTVA OM

I ratify the judgment of Helios whereby the plug is pulled on the seed of the wicked!

LORD God Almighty, I AM a Son of the Sun on earth. And therefore, I do declare this day that I ratify the judgments of Almighty God upon the seed of the wicked on earth, the destroyers and the spoilers, the corrupt ones, the godless, the dead and the dying.

I ratify the judgment whereby the plug is pulled and they no longer have the source or the access to the Light, and that which they have misqualified is now taken from them. And I declare it in the name of my Mighty I AM Presence and by the authority of my threefold flame!

And because I stand in the earth in this hour, I AM standing in the presence of the mighty aura of beloved Helios, which is activated anew each time I make this call. And I declare that there be an immediate withdrawal of all sympathizers, idolaters and supporters of the sinister force, East and West.

And I send forth Cosmic Christ illumination, the education of the heart and the piercing of the soul and the mind at inner levels, that the lifewaves of earth will

come into a sudden enlightenment and an awareness (as in the twinkling of an eye) from their own God Presence. And they shall see and know that they must withdraw their support from the seed of the wicked. And I declare it! And I declare the judgment of the Lord Jesus Christ in this hour and I give that Judgment Call here and now....

INSERT:

... for the judgment and the binding of all those fallen ones, who cause the sinking of the Muria, and the judgment there, and the desecration of the temple of the Divine Mother, and the twelve temples surrounding that central altar.

I am the judgment here and now, in the full spirit of the will of God, of the murderer from the beginning, and those of the murderous intent, who did slay the incarnation of the Divine Mother on Lemuria, and that record left that big sore, is now consumed.

And they are judged in the Alpha and the Omega cycle, and they are judged for the murder of this messenger, and this mother of the flame, and her twin flame, and all those who are the servants, and were the servants of the Most High God, of the Divine Mother on the Lemuria.

And that record is consumed this hour, by the power and the edict of Alpha and Omega, and those perpetrators of that deed are bind, they are bound in this hour, they are bound in death and hell, they are bound on the astral plane! They are bound on the astral plane!

And the Lord God does bind them therefore in the four planes of matter, and in all galaxies, and therefore we are the binding of the liar and the lie, and the infestations of the demons of the lie and the liar, infesting the children and the youth, those who have come from Venus, those who are the seed of Sanat Kumara, every life there on earth, who has been infested by the seeds of demons and discarnates, of the liar and the lie, and his genes.

They are burned. They are consumed. And they are consumed in this record of the Lemuria, and all sympathizers of Peshu Alga, and his consort, and his twin flame, are bound in this hour.

All sympathizers of the Nephilim gods of the twelfth planet are bound and judged in this hour. Bolts of blue lighting it is done!

Therefore I El Morya, in the company of the saints, at the altar of the Holy Grail, do declare:

(Decree 20.07 Given 3x)

**20.07 THE JUDGMENT CALL - "THEY SHALL NOT PASS!"
by Jesus Christ**

In the Name of the I AM THAT I AM,
I invoke the Electronic Presence of Jesus Christ:

They shall not pass!

They shall not pass!

They shall not pass!

By the authority of the cosmic cross of white fire it shall be:

That all that is directed against the Christ within me, within the holy innocents, within our beloved Messengers, within every son and daughter of God, Is now turned back by the authority of Alpha and Omega, by the authority of my Lord and Saviour Jesus Christ, by the authority of Saint Germain!

I AM THAT I AM within the center of this temple and I declare in the fullness of the entire Spirit of the Great White Brotherhood:

That those who, then, practice the black arts against the children of the Light ...

Are now bound by the hosts of the LORD,

Do now receive the judgment of the Lord Christ within me, within Jesus, and within every Ascended Master,

Do now receive, then, the full return—

multiplied by the energy of the Cosmic Christ—

of their nefarious deeds which they have practiced

since the very incarnation of the Word!

Lo, I AM a Son of God!

Lo, I AM a Flame of God!

Lo, I stand upon the Rock of the living Word

And I declare with Jesus, the living Son of God:

They shall not pass!

They shall not pass!

They shall not pass!

Elohim. Elohim. Elohim.

Thus, having concluded this Judgment Call, I demand that the forces of heaven and the mighty Archangels shall come into manifestation, and that Archangel Michael shall descend with legions of Light and all of the LORD's host to cast that devil and his angels and the seed of the devil and the clones and counterparts and counterfeit creation out of the earth; and shall bind the godless and bind them out of the pit and bind them out of Death and Hell and bind the entire astral hordes: Until Death and Hell are swallowed up in Light and Victory, and are no more and are cast into the Lake of Fire—cause, effect, record and memory—and the platform of earth is therefore prepared for the descent of that greater Light of the incoming great Golden Age, which I look forward to and anticipate as the Second Coming of the Great Central Sun to the earth. This, then, shall be the coming of Alpha and Omega for the sealing of the earth in that immaculate matrix.

And therefore, I summon, as a Keeper of the Flame, all Lightbearers of the planetary body to be as One, to be in one Great Union of Light, and to overthrow the fallen ones who would take over the planetary body and exalt the state as God and have all people as submissive servants and slaves to the Nephilim and the godless and the fallen angels. I stand in the earth and I demand the overturning of their schemes in this hour!

I call for the All-Seeing Eye of God to probe and penetrate the very nuclei and strongholds of the fallen ones, their secret meetings. And I demand that all plots and conspiracies toward terrorism or takeover or the overthrow of the governments of the nations established by Almighty God or the overthrow of the divine plan of the abundant Life shall be exposed now, their perpetrators be bound. And these shall be placed before the judgment of Almighty God and his adjudication. Even so, come quickly, Lord Jesus Christ and all the saints of heaven, to ratify this judgment through me.

And therefore, I demand the casting out of the dweller-on-the-threshold of the entire sinister force of the planetary body by this my Call for the Binding and the Casting Out of the Dweller-on-the-Threshold.....

20.09 I CAST OUT THE DWELLER-ON-THE-THRESHOLD!

by Jesus Christ

In the name I AM THAT I AM ELOHIM, Saint Germain, Portia, Guru Ma, Lanello Padma Sambhava, Kuan Yin and the Five Dhyani Buddhas, In the name I AM THAT I AM SANAT KUMARA, Gautama Buddha, Lord Maitreya, Jesus Christ, OM VAIROCHANA, AKSHOBHYA, ATNASAMBHAVA, AMITABHA, AMOGHASIDDHI, VAJRASATTVA OM

I CAST OUT THE DWELLER-ON-THE-THRESHOLD of of the entire momentum of the sinister force and the Dweller on the Threshold of the great rebellion of the fallen angels, the Dweller on the Threshold on the four o'clock line and the ten o'clock line of the ancient records of Lemuria that are now brought to life.

And before the altar of God in heaven and on earth, and before the Court of the Sacred Fire, before the Four and Twenty Elders in the Holy City above and below.

And therefore the Cosmic Council does declare the binding of that Dweller on the Threshold, the binding of the seed of the wicked, and the binding now of the cause and core of their seed.

Penetrated and infiltrated into the genetic code and strain of the Sons and Daughters of God and the children of the Light on earth and in this solar system and throughout the galaxies.

So the Ruby Ray does go forth, so the legions come forth now for the binding of the record of this Dweller on the Threshold. And it is done by the right hand of Almighty God, by the Elohim, by the Legions of the LORD.

And it is implemented on earth and in heaven, in the seven planes of matter, the seven planes of the heaven world within the matter spheres.

It is implemented now and in forth-coming days and in the years ahead by the continuing call of the Keepers of the Flame and the violet flame angels and companies of saints who do release the sacred fire.

And therefore we say the record is consumed this night. Let its cause, effect, record and memory in the consciousness in all people everywhere be consumed by their free will and by their application to this holy service of God.

And therefore we, the ascended masters of the Great White Brotherhood, with unascended chelas, do therefore declare in the words of Jesus Christ:

In the name of my beloved Mighty I AM Presence and Holy Christ Self, Archangel Michael and the hosts of the LORD, in the name Jesus Christ, I challenge the personal and planetary dweller-on-the-threshold, and I say: You have no power over me! You may not threaten or mar the face of my God within my soul. You may not taunt or tempt me with past or present or future, for I AM hid with Christ in God. I AM his bride. I AM accepted by the LORD.

You have no power to destroy me! Therefore, be bound! by the LORD himself. Your day is done! You may no longer inhabit this temple.

In the name I AM THAT I AM, be bound! you tempter of my soul. Be bound! you point of pride of the original fall of the fallen ones! You have no power, no reality, no worth. You occupy no time or space of my being. You have no power in my temple. You may no longer steal the Light of my chakras. You may not steal the Light of my heart flame or my I AM Presence.

Be bound! then, O Serpent and his seed and all implants of the sinister force, for I AM THAT I AM!

I AM the Son of God this day, and I occupy this temple fully and wholly until the coming of the LORD, until the New Day, until all be fulfilled, and until this generation of the seed of Serpent pass away.

Burn through, O living Word of God!

By the power of Brahma, Vishnu and Shiva, in the name Brahman:

I AM THAT I AM and I stand and I cast out the dweller.

Let him be bound by the power of the LORD'S host! Let him be consigned to the flame of the sacred fire of Alpha and Omega, that that one may not go out to tempt the innocent and the babes in Christ.

Blaze the power of Elohim! Elohim of God—Elohim of God—Elohim of God Descend now in answer to my call. As the mandate of the LORD—as Above, so below—occupy now. Bind the fallen self! Bind the synthetic self! Be out then! Bind the fallen one! For there is no more remnant or residue in my life of any, or any part of that one.

Lo, I AM, in Jesus' name, the victor over Death and Hell! (2x)
 Lo, I AM THAT I AM in me—in the name of Jesus Christ—is here
 and now the victor over Death and Hell!
 Lo! it is done.

...

Having so given this Call, I now call forth the solar ring for the victory of all life, for the sealing of those places great and small—both where the Light dwells for the victory of Light and where evil dwells for the acceleration of Light there, and for Light's judgment of those evil nests of serpents, the very core of the wicked worldwide.

In the name of the Father, the Son, the Holy Spirit and the Mother, I accept it done this hour in full power. And I stand in the earth as an emissary of Helios and Vesta until the New Day when the entire planetary home shall be full of Light and only Light; and the earth is prepared and purified and ready, then, for the evolutions of Light that are to come.

0.30 THE SOLAR RING

by the God and Goddess Meru

In the name I AM THAT I AM, I stand the Son of God in the earth.
 Clothed upon with the Sun of Righteousness, I AM come with healing in my wings! I AM the descending fire-light from my point of origin in the heart of God, in the heart of my own Mighty I AM Presence!

I stand now God-centered in my own Christ Self, and by the flame within my heart, I do now draw the solar ring around my forcefield as the base and foundation of my life in the earth and around:

INSERT

...America—North and South and Central, the Pacific Basin, the Pacific Fire Ring, all lands affected by this record, the entire planetary home, the earth equator, every line of latitude and longitude, 360 degree—North and South, East and West, every point upon the body.

I AM drawing the mighty Solar Ring until all rings are connected on the earth body and there does remain in the intensity of the Solar Rings of the Central Sun around the Pacific Basin, around all areas of that basin and every place where the Messenger has placed her feet in physical embodiment and in the physical stumping of these nations.

So there shall be the mighty forcefield of the angels of the LORD for the utter consuming of the records opposing the ascension of the Sons and Daughters of God, the seed of Sanat Kumara.

...

I now call forth, in the invincible Word of the Logos I AM THAT I AM, my invincible tube of light established upon the platform of the solar ring for the sealing of my identity, my soul, my heart, and my mind within this mighty tube of light by the power of the solar ring—that I may go forth a son of God in the earth, using the power of seraphim for the protection of communities and nations and the earth body.

Therefore, in the name of Almighty God, in the name of the Father, the Son, the Holy Spirit, and the Mother, I do establish in this hour my tube of light for the sealing of my sonship to this Word and Work of the LORD and for the sealing of

...every Son and Daughter of God on earth, between embodiments on the etheric plane, all unascended servants of the Most High God, children of the Light, who give allegiance to that LORD God,

Seed of the Ancient of Days, all who are the descending ones who have come from the very courts of heaven to serve Almighty God and his children, all angel of the Light in embodiment, all who are polarized and magnetized to the Great Central Sun, to Almighty God.

Let the Tube of Light descend! Let it seal them now, now and until the hour of their victory in the ascension in the light, declare it! I, El Morya embody it! I, El Morya decree it now!

("Violet Fire and Tube of Light Decree," 0.01—give once.)

0.01 VIOLET FIRE AND TUBE OF LIGHT DECREE

by the Ascended Master Saint Germain

O my constant, loving I AM Presence, thou Light of God above me whose radiance forms a circle of fire before me to light my way:

I AM faithfully calling to thee to place a great pillar of Light from my own Mighty I AM God Presence all around me right now today! Keep it intact through every passing moment, manifesting as a shimmering shower of God's beautiful Light through which nothing human can ever pass. Into this beautiful electric circle of divinely charged energy direct a swift upsurge of the violet fire of Freedom's forgiving, transmuting flame!

Cause the ever expanding energy of this flame projected downward into the forcefield of my human energies to completely change every negative condition into the positive polarity of my own Great God Self! Let the magic of its mercy so purify my world with Light that all whom I contact shall always be blessed with the fragrance of violets from God's own heart in memory of the blessed dawning day when all discord—cause, effect, record, and memory—is forever changed into the Victory of Light and the peace of the ascended Jesus Christ. I AM now constantly accepting the full power and manifestation of this fiat of

Light and calling it into instantaneous action by my own God-given free will and the power to accelerate without limit this sacred release of assistance from God's own heart until all men are ascended and God-free in the Light that never, never, never fails!

...

In the name I AM THAT I AM, as a son of God standing in the earth, I therefore call forth the solar ring around my life, and I call forth concurrently the twin pillars of Alpha and Omega, Helios and Vesta, the seven mighty Elohim, the God and Goddess Meru, my own twin flame, Saint Germain and Portia, the mighty archangels and archeiai, and the messengers from the Sun.

In the name of Jesus Christ, I therefore seal myself in the Law and the flame of God Harmony and I call for the invincible protection of the legions of the first ray around this tube of light and around that solar ring. And I accept it done this hour in full power. Amen.

And in full Faith I consciously accept this manifest, mani-fest, manifest! (3x) right here and now with full Power, eternally sustained, all-powerfully active, ever expanding, and world enfold-ing until all are wholly ascended in the Light and free! Beloved I AM! Beloved I AM! Beloved I AM!
