

# “Conscience, Consciousness and Responsibility”

Dear Chelas on the Path,

Referring to the Golden Rule, our Beloved Vesta states in Pow-Vol. 12 No. 1, 1/5/69:

*“Whosoever shall break this law, whosoever shall continue to act according to selfish and greedy intents shall find that the activity of the soul of God, the vital life force within himself, shall activate the domain of conscience—if not the conscience of the individual which may well be hardened against truth, then the conscience of the race; if not the human, then the divine. You can expect this coming year and forever after until the end of the cycle the stepping up of karmic awareness, of an understanding among men of the law of compensation. <2>”*

Join us this Sunday as we further explore the meaning and relationship of conscience, consciousness and responsibility on our spiritual path.

As We Journey Upward,
